Our Story

Bonnie's Café was originally opened in 1940 by Mr. Bonnie Allen and his wife Ruby. Lifelong Farmville resident, J.R. Brady barbecued pigs for the Allens until he opened Brady's BBQ. J.R.'s youngest son Tommy grew up helping out his Daddy at the BBQ Restaurant and later a seafood joint. Today Tommy Brady, his son, and son-in-law are bringing you that same quality country cooking and the traditions of two Farmville restaurant powerhouses!
